

Publications

Written by Henriette Roued-Cunliffe

Friday, 18 December 2009 10:44 - Last Updated Friday, 30 March 2012 11:10

These are all publications by team members that are relevant to the project.

2010

Roued-Cunliffe, H. 2010. "Towards a Decision Support System for Reading Ancient Documents", [Literary and Linguistics Computing](#) , doi: 10.1093/lc/fqq020

Tarte, S.M., Brady, J.M., Bowman, A.K, and Terras, M. (Forthcoming 2010). "Image Capture and Processing for Enhancing the Legibility of Incised Texts", [Societas Scientiarum Fennica : Commentationes Humanarum Litterarum](#).

Tarte, S. (Forthcoming 2010). "Papyrological Investigations: Transferring Perception and Interpretation into the Digital World". [Literary and Linguistics Computing](#) .

Publications

Written by Henriette Roued-Cunliffe

Friday, 18 December 2009 10:44 - Last Updated Friday, 30 March 2012 11:10

2009

Bowman, A. (2009) "Digital Technology and Ancient Manuscripts". In W.Dutton, P.Jeffreys (eds 2009), *World Wide Research: Reshaping the Sciences and Humanities* ([MIT Press](#)).

Bowman, A., Crowther, C., Kirkham, R. and Pybus, J. (2009). "A virtual research environment for the study of documents and manuscripts". *Digital Classicist*.

Bowman, A., Tomlin, R. S. O. and Worp, K. A. (2009). "Emptio bovis Frisica: the 'Frisian ox sale' reconsidered". [The Journal of Roman Studies, 99](#) , pages: 156-170.

Publications

Written by Henriette Roued-Cunliffe

Friday, 18 December 2009 10:44 - Last Updated Friday, 30 March 2012 11:10

Terras, M. (Forthcoming 2009). "The Digital Classicist: Disciplinary Focus and Interdisciplinary Vision". In Bodard, G. and Mahoney, S. (eds). "Digital Research in the Study of the Classical Antiquity". Ashgate.

2006

Terras, M. (2006). "[Image to Interpretation: Intelligent Systems to Aid Historians in the Reading of the Vindolanda Texts](#)". Oxford Studies in Ancient Documents. Oxford University Press.

Terras, M. (2006). "Interpreting the image: using advanced computational techniques to read the Vindolanda texts", [Aslib Proceedings, Volume: 58 Issue: 1/2 pages: 102 - 117](#) .

2005

Publications

Written by Henriette Roued-Cunliffe

Friday, 18 December 2009 10:44 - Last Updated Friday, 30 March 2012 11:10

Bowman, A. and Brady, M. (2005). "[Images and Artefacts of the Ancient World](#)". London: British Academy

Brady, M., Pan, X., Terras, M., and Schenk, V. (2005). "Shadow Stereo, Image Filtering and Constraint Propagation". In Bowman, A.K. and Brady, M. (eds) (2005). [Images and Artefacts of the Ancient World](#), Oxford University Press, Oxford, pages: 15 - 30.

Terras, M. (2005). "Reading the Readers: Modelling Processes Used by Humanities Experts", [Literary and Linguistic Computing, Volume 20 \(1\), pages: 41 - 59](#)

Terras, M. and Robertson, P. (2005). "Image and Interpretation: Using Artificial Intelligence to Read Ancient Roman Texts". [HumanIT, Volume 7, Issue 3.](#)

2004

Terras, M. and Robertson, P. (2004). "Downs and Acrosses, Textual Markup on a Stroke Based Level". [Literary and Linguistic Computing, 19 \(3\), pages: 397 - 414](#)

Publications

Written by Henriette Roued-Cunliffe

Friday, 18 December 2009 10:44 - Last Updated Friday, 30 March 2012 11:10

2002

Terras, M. (2002). "Image to Interpretation: Towards an Intelligent System to Aid Historians in the Reading of the Vindolanda Texts", D.Phil Thesis for Department of Engineering Science, University of Oxford.

2001

Terras, M. (2001). "Towards a reading of the Vindolanda Stylus Tablets: Engineers and the Papyrologist", [HumanIT, Volume 5, Issue 2, 2001.](#)

1997

Publications

Written by Henriette Roued-Cunliffe

Friday, 18 December 2009 10:44 - Last Updated Friday, 30 March 2012 11:10

Bowman, A., Brady, M. and Tomlin, R. S. O. (1997). "Imaging Incised Documents". [Literary and Linguistic Computing, 12 \(3\), pages: 169-176.](#)
